In a pit of depression, Ben and his three best friends decided to create the world's greatest bucket list to make them feel alive. They bought a rickety old bus and criss-crossed North America, achieving the unthinkable. And most importantly, every time they accomplished a dream, they helped a complete stranger cross something off their bucket list. From playing basketball with President Obama to streaking a professional soccer field, from raising over \$400,000 for charity to placing a record-breaking \$250,000 bet on roulette—Ben's bucket list quest has inspired millions to chase their dreams and realize that impossible is possible.
